DETAILED ACTION

Response to Amendment

1. Applicant's reply to the Office Action of 30 July 2004 was received in the U.S. Patent and Trademark Office on 05/27/2005, which is after the expiration of the period for reply set in the above noted Office action. The application will become abandoned unless applicant obtains an extension of the period for reply set in the above noted Office action.

An extension of the reply period may be obtained by filing a petition under 37 CFR 1.136(a). The petition must be accompanied by the appropriate fee as set forth in 37 CFR 1.17(a) (copy of current fee schedule attached). The date on which the reply, the petition, and the fee have been filed is the date of the reply and also the date for purposes of determining the period of extension and the corresponding amount of the fee due. The expiration of the time period is determined by the amount of the fee paid.

Applicant is advised that in no case can any extension carry the date for reply to an Office action beyond the maximum period of SIX MONTHS set by statute. Additionally, extensions may not be granted under 37 CFR 1.136(a) for more than FIVE MONTHS beyond the time period set in an Office action.

Conclusion

2. As a result, the rejection of claims set forth in the Office Action of 30 July 2004, is still maintained pending applicants petition under 37 CFR 1.136(a).
